Hero-Mailman Baxter Rewarded for Saving Boy Locked in Trunk

Mailman Bill Baxter grins as he receives award. Postmaster F. R. Faucher, right, and co-workers look on.

Says 'Anyone Else' Would Have Done The Same Thing

A shy, self-conscious Lemon Grove mailman—still protesting that "anybody else would have done the same thing"—was given the Post Office Department's "Superior Performance Award" this week for having saved the life of a Lemon Grove boy in September.

Mail Carrier Bill Baxter in September broke open a trunk in which some youngsters had locked their playmate, 8-year-old David McGahee of 3283 Buena Vista.

Several neighborhood boys had been playing "submarine" in the trunk on the front porch of the McGahee home. David was inside and another youngster lock-

(Continued on Page 2)

Women Ask Help In Maintaining Grove Plaza

The Lemon Grove Business Women's League this week appealed for community-wide help in maintaining the "green and attractive appearance" of the plaza in the center of town.

Dorothy Ellis, spokesman for the league, said, "Without the support of the public it is only a matter of time until we can no longer continue the upkeep of the plaza."

She said that "increased costs and the loss of some of our hardest working members" have made it difficult to keep up the work.

"Our gardener," she said, "receives a salary of \$130 a month and our water bills run \$40 for three months. In addition we use fertilizer and plant grass on the bare spots, and pay the Santa Fe Railway for use of the property."

Mrs. Ellis said that the club has maintained the plaza for 11 years. In recent years, she said, the club has used a "money doll" to raise funds, but the costs have risen so high that that project has been abandoned.

Also, she said, the club plans to decorate the plaza for Christmas this year, with lighted trees and a Nativity scene, so the plaza will be "dressed for Christmas."

"Any civic-minded citizens of Lemon Grove who would like to help us continue the work," she said, can help by sending contributions to the Lemon Grove Business Women's League, Box 554, Lemon Grove.

Helen Moulton Named New Chamber Manager

Chamber of Commerce President Bill Parker announced Monday that Helen Moulton, long-time secretary-manager of the El Cajon and other chambers of commerce, had been selected by the chamber screening committee as the 1960 secretary-manager for Lemon Grove.

The committee held personal interviews with three of the twelve applicants including present manager Jesse Lee, who was on a part-time basis this year. It took three ballots to reach a decision.

The committee recommendation was accepted unanimously by the chamber board Monday. Parker said that the acquisition of a full-time fully-experienced chamber manager fulfilled the obligation given him as a

(Continued on Page 2)

Customer, carrying "lucky number" paper, shops in Lemon Grove Store.

'Treasure Hunt' Successful in Grove

A giant "treasure hunt" conducted in downtown Lemon Grove last week was "highly successful," merchants said, and helped to get a lot of people started on their Christmas shopping.

Store reported that "thousands" of people flocked in to search for the free prizes with

their "lucky numbers" on the store shelves.

And most of these people, the merchants said, stopped to buy the bargains on display or put items in the "lay-away" for Christmas gifts.

Merchants sponsored a spe-

cial "treasure hunt" section of this newspaper, with each copy carrying a "lucky number" which—if matched with a number on an item in a store—got the bearer a free gift. More than 150 gifts totaling a value of more than \$1,000 were offered in 33 Lemon Grove stores.

Undaunted Housewives Force Grocers To Put Cranberries Back on Shelves

Lemon Grove and Spring Valley housewives, apparently undaunted by reports that cranberries from the northwestern part of the United States may be contaminated by dangerous chemicals, have forced local grocers to stock the holiday berries.

Some grocers said that they took all cranberries off their shelves a few days ago when the announcement was made, "but we have had so many calls for them that we put the berries out again." Other grocers said that they had never taken them off the shelves.

The national secretary of health, education and welfare a

week ago Monday announced that cranberries in the Pacific Northwest might be contaminated by a chemical weed killer which has produced cancer in rats. A wave of apprehension swept across the country.

Since then, health officials, including those in San Diego county, have said that the contamination is slight and is confined to the Pacific Northwest berries.

So, this week in Spring Valley and Lemon Grove, grocers were stocking cranberries and cranberry sauce—almost exclusively a brand which is grown and packed in Massachusetts.

Housewives, interviewed as

they shopped in the stores, said: "Of course I'm going to serve cranberries on Thanksgiving. It wouldn't be the same without them."

There were some, however, still fearing the possible dangers, who said they would substitute a roast for turkey and some other sauce for the cranberries.

And other housewives, too, seemed to be reluctant. Some grocers said that cranberry sales were "slow," but expected sales to increase later in the week.

BIRD APPOINTED TO STATE POST

Governor Edmund Brown this week appointed David Bird, county supervisor from this district, to membership on the state planning advisory committee, created to work with the state planning office in preparing a state-wide development plan.

Picks Five People To Run for Posts In December Vote

Recreation District Vote Scheduled For December 22

The Lemon Grove Coordinating Council this week made public a list of candidates it said it would recommend as commissioners for the Recreation District to be voted upon December 22. Five commissioners will be elected at the same time. The Council is sponsoring the District through a Communities Service enabling act.

The list, agreed upon by the membership at the group's regular meeting Monday night, consisted of Mrs. James Martin, the Rev. Donald Cooke, V. J. Dorman, Dr. Robert Burns and Jim Spears.

At the same time the Council named Arthur Thomas and Mrs. Robert Turner to head the publicity and education program planned to give information to district voters from now until the election.

"We want to be able to answer all questions that may arise in the minds of the voters," Thomas said. "We feel there is no question as to the need for the district so our job will be solely that of informing."

The Rev. E. Walter Smith, Coordinating Council president, said that it was necessary to get

(Continued on Page 2)

'Bonus' Issue To Go To Our Subscribers Next Week

Subscribers to this newspaper will get an extra issue of this newspaper next week, free of charge.

It will be the annual Thanksgiving Day issue chock-full of local news and offerings of local business firms.

The newspaper will carry a Sunday November 22 dateline and will be delivered to our subscribers on Monday. A large part of the newspaper will be devoted to your Thanksgiving Day dinner table with many suggestions from local markets.

Tell your friends and neighbors about the "good news" and suggest that they subscribe. For every brand-new subscriber turned in by one of our present ones, we'll give a brand new one dollar bill.

Injured Youngster Out of Hospital

An 8-year-old Lemon Grove girl who was seriously injured when hit by a car last Friday has been released from Grossmont Hospital.

The girl, Yvonne Bydevier, suffered a broken foot, a broken arm and many bruises. The California Highway Patrol said that she was struck by a car driven by Norman L. Lorenzen, 18, of 1351 Braddock St., Lomita Village, when she ran into the street from behind a parked truck.

Lorenzen was not cited by the CHP.

Yvonne is the daughter of Mr. and Mrs. Hendrik Bydevier, 6850 San Miguel Ave. The accident occurred in front of their home.

Banks Here Spread Holiday Money Cheer

Local banks have already loosened their first cargo of Christmas cheer.

It's in the form of several hundreds of Christmas Club checks dispersed to local residents.

Bill Paul, manager of the U.S. National Bank in Lemon Grove, said he mailed out 30 percent more checks this year than last. The average check was \$125. The national average is \$108.

Jack Koop, manager of the First National Bank here, said his bank's average check is \$135.62, \$27.62 larger than the national average.

Last year First National, county-wide, paid \$1,067,875 to 7,885 Christmas Club members. Throughout the nation 1,405 billion dollars is being distributed this year.

Surveys by Christmas Club, a corporation, nationally show that of this year's 1,405 billion dollars to be distributed, it is estimated that 421 million dollars will be used for Christmas purchases. Of the remaining funds 716 million dollars will be transferred to permanent savings, 104 million will be used for taxes, 98 million for year-end bills and 28 million for miscellaneous items.

The DIMMER VIEW

by MAX GOODWIN

An eight-year old girl was seriously injured here late last week when she stepped from behind a parked auto into the path of an oncoming vehicle.

As sensible citizens we would not want to rule all parking off the streets, nor would we want the job of enforcing the laws against dangerous driving, drinking driving and speeding.

There are certain things we can do as citizens which would reduce the accident hazards in our town and every once in a while, our community's unofficial traffic safety engineer, a man named Tony Sonka, reminds me of these things.

The first thing he suggests is to make the slogan "Traffic is People" mean what it says.

The next thing, and this has been his theme for many years, is for property owners to "daylight" intersections. This merely means trimming corner plants and bushes to a point where motorists may see a reasonable distance in the lateral direction.

To back up his argument he sent a copy of a report made on traffic conditions in Detroit, Michigan where accident rates are on the downtrend. Interestingly enough the two major hazards in the report are parallel with the hazards pointed out by Sonka.

In Detroit, even now, 72 percent of the reports on child injuries bear the notation "Child ran from behind car."

An analysis of high-accident intersections sometimes showed

(Continued)

a hedge, a tree, or a single bush was blocking vision, causing accidents.

To combat this condition traffic engineers were put in the "unlandscaping business." They first asked the homeowner to remove the bush. If necessary, the engineers empowered by law, had them cut down.

There is a good moral in the report and the moral becomes very important if the accident involves family members either as pedestrians or as motorists.

Christmas gift suggestion . . . a case of Oregon cranberries for Khrushchev.

The press in California including us reacted violently to Governor Pat Brown's "clear it with Pat" publicity policy, that he has issued a new directive to all state department heads calling for "full and frank information to the public and genuine and complete access for the press."

The move was to ease censorship fears created by a tightened public relations policy. He announced categorically that no one needs gubernatorial clearance before talking with the press except on major policy matters.

He said his long-standing position that directors must discuss major policy matters with him before a final decision is made has not changed.

Brown said he is aware of fears that a recent order by one of his press secretaries that state information officers channel important or controversial news through the governor's office might lead to censorship. He said that nothing was further from his intentions.

In his new directive he told officials that they were not to impose self-censorship because of timidity or uncertainty about what someone higher up may think.

"Such censorship is just as dangerous to democracy as any censorship actually exercised by top officials," he said.

'Ted' Haaf Found Dead At Home

Theodore G. "Ted" Haaf, 70, an old-time well-known Lemon Grove property owner and business man, was found dead in bed Tuesday at his home at 2226 Citronella Street.

He was discovered by William Parsons, a Lemon Grove real estate man, shortly before noon. The county coroner said he apparently died of natural causes and had been dead 15 to 17 hours when Parsons discovered him.

Haaf and Parsons were fishing companions and had spent a day late last week fishing in San Diego Bay. Parsons discovered the body when he stopped by Haaf's home to make plans for another fishing trip.

Haaf came to the Lemon Grove area in 1932 and bought a garage property owned by Andy Anderson. The garage was later leased by Rolla Hamilton and the building recently was torn down to make way for the improvement of Imperial Avenue at North Street.

Haaf's wife died two years ago this month after a lingering illness.

Funeral arrangements are awaiting the arrival of Haaf's brother Fred who lives near Denver and a sister-in-law who lives in Colorado Springs.

'Shake the Pantry' Invitations Sent

Invitations to join the "Shake the Pantry" movement went out this week from all schools in the La Mesa-Spring Valley School district to parents, offering them the opportunity to share with needy families in the district through gifts of canned goods and food staples. The welfare associations of La Mesa, Spring Valley and El Cajon will supervise the distribution of baskets to needy families at Thanksgiving and Christmas.

Helen Moulton Named Manager Of Chamber

(Continued)

present healthy growth under Mrs. Moulton's direction."

Funds set aside for manager's salary in the 1960 budget is \$400 a month. It was \$150 in 1959.

Miss Helen Moulton is former manager of the El Cajon Chamber of Commerce. She started in chamber management in Milbrae in 1948. Three years later she became manager of the San Bruno chamber for four years. In 1954 she opened and operated an employment agency in San Francisco. She came to El Cajon in 1955 and was dismissed there April of this year.

Miss Moulton has two daughters, both residing in San Francisco.

Miss Moulton was dismissed in April by the directors of the El Cajon Chamber of Commerce and later she filed suit against them for \$12,225.

A controversy raged for several weeks following her dismissal and she was locked from the chamber offices when she returned from a trip. The suit has not yet been brought to trial.

Miss Moulton's dismissal in El Cajon was based on her taking a vacation without approval and criticism of her handling of El Cajon's industrial area problem.

The Lemon Grove Chamber of Commerce screening committee said a study had been made and it was generally agreed that Miss Moulton's dismissal was due to "politics."

Mailman Rewarded For Saving Life

(Continued)

ed the trunk. Then nobody could find the key.

Mrs. John Sievers, neighbor and mother of two of the youngsters, was summoned by her son. She tried to open the trunk with a screwdriver but managed only to poke a small hole in it.

Then Mailman Baxter came along, grabbed a pickaxe from the Sievers garage and broke open the trunk.

He insisted then that he "just happened to be there" at the right time and that "anyone else would have done the same thing."

Whether this was true or not, Baxter was the recipient a few days ago of:

A letter of commendation from Postmaster General Arthur Summerfield;

A letter of commendation from Vern Scoggins, in charge of the San Diego postal district;

A \$50 check as a tangible phase of the Superior Performance Award, sent from the San Francisco regional postal office.

Lemon Grove Postmaster F. R. Faucher, acting as though he were about to make some routine announcement, called all his letter carriers together the other morning, then asked Baxter to step forward.

Faucher then read the commendations and handed them to Baxter.

Baxter, a bit red in the face, gulped:

"Thanks."

And went back to sorting mail.

Fire Department To Collect Toys

The Spring Valley Fire Department this year will participate with U.S. Marine Corps in the annual "Toys for Tots" campaign, which gets under way November 29, according to Spring

Valley Fire Chief Frank Berger. He said collection barrels will be placed at both S.V. fire stations and firemen will be on duty at all times to receive the toys.

Council Names 5 Candidates

(Continued)

five people to agree to serve as recreation district commissioners so that these persons might be used as a source of information as to what the makeup of the district probably would be.

"Until we chose these five through our screening committee, we were put in the embarrassing position of being unable to discuss the shape or the scope of the District-to-be."

"The screening committee chose five persons they believed to be utterly trustworthy and who had always shown good judgement in the fields of their endeavor, and asked them to make this further contribution to their community by serving as commissioners if elected."

Thomas said he had asked the five candidates to meet with his committee this week on Thursday. The information subsequently released will be based on the district as these five candidates see it, he said.

Rev. Smith said that the Coordinating Council was not bound by the choice of the screening committee but their choice could be used as a guide in the absence of personal selections.

COLORS CORRECT

A house with bad features painted in soft blending colors loses the impact of the bad. Contrasting colors, on the other hand, serve to accent good features.

Chamber to Win Prize of \$2,100

when the chamber sponsored an incorporation action last year.

Larry Fields, finance committee chairman, said he would start a give-away contest to raise enough funds to cover the chamber's obligation to Scott. Scott will cancel the obligation if you raise enough to pay it by the year's end."

President Parker said the chamber would make the money-raising activity a prime project. The funds are needed to back up the widely-expanded program scheduled to get under way in January when the chamber will have its first full-time manager.

Food Basket Presents Again for Your Thanksgiving

4 Swift's Premium BUTTERBALL TURKEYS

Swift's Premium Young BUTTERBALL

1 **HENS**
9-11 lbs. **39¢** lb

Swift's Premium Young BUTTERBALL

2 **TOMS**
16-20 lbs. **37¢** lb

4 **STUFFED TURKEYS**

Swift's Premium

The same superb quality as in the other Butterballs is yours in this fabulous turkey that's already stuffed with Swift's own special dressing. This stuffing is seasoned to perfection with celery, onions, sage and herbs... and is not too dry or too moist!

5-9 lbs. **53¢** lb

Swift's Premium Roasting Chickens 4½-6 lbs. **49¢** lb

Plump, tender flavorful meat... these are ideal holiday fare for small families.

Why BUTTERBALL Turkeys Are Magnificent!

• Special Broad-Breasted Breed

A Food Basket specialty... of which we're very proud... Swift's Premium Butterball Turkeys are the finest on today's market! Scientifically bred and fed, their broader breasts give you a greater proportion of white meat. And their plump butterball roundness gives you MORE tender meat... and LESS waste... than you've ever seen before!

• Butterball Round

Because these fabulous turkeys have smaller bones, shorter legs, broader breasts and are more compact all over... genuine "butterballs"... you actually get MORE MEAT PER POUND than on ordinary turkeys. You also get meat that's far more tender, and juicy, with an unusually rich flavor that's the result of their special diet!

• No Skewers Needed

Our wonderful Butterball Turkeys have the legs tucked in, so no trussing or skewering is needed. You just stuff your beautiful bird with your favorite dressing and roast it according to the directions. And this modern method... that saves you time and work... gives YOU more holiday leisure to enjoy with your family!

• Leg Tendons Removed

Because most of the leg tendons have been removed before you get your Butterball Turkey, the carving is easier, and the servings of the exquisitely tender fine-grained meat are more inviting.

• Choice Of 4 Turkeys

These unusual Butterball Turkeys... spotlessly clean inside and out to save you effort... are available in four sizes. Choose the large Tom Butterball for large family gatherings... the average Hen Butterballs for medium-size families... or the Small Grown Hens for families of two to four people. Also especially good for small families are the Stuffed Hens, that come already filled with a marvelous dressing... ready to pop into the oven.

• Cooking Instructions

To insure perfect results, complete cooking instructions are included with each Butterball Turkey. Why not decide now on the Butterball you'll need for Thanksgiving? We guarantee you wonderful eating... as Super Shoppers who bought these superb birds last Thanksgiving can verify. There's NOTHING like SWIFT'S PREMIUM BUTTERBALLS for flavor... quality... and tenderness!

Swift's Premium Small Grown BUTTERBALL TURKEYS

PERFECT FOR SMALL FAMILIES, these tender young Butterball Turkeys have their legs tucked in, so you don't have to bother with trussing or skewers. Butterball round... and broad-breasted, they give you the maximum in tender flavorful meat!

4-6 lbs. **49¢** lb

Swift's Premium Ducklings

Most people do not know that Borers (the hidden enemies that destroy so many trees and shrubs) go down into the soil at the base of the tree or shrub during the winter months and hibernate there and go through their cycle.

If people knew this they would readily realize that it is an easy job to kill them by using an ethylene dichloride emulsion in the soil before the warm days of Spring activate the borers and send them on their destructive journey up between the cambium and cortex tissues (inner lining) of the tree. Once protected underneath the bark, they eat their way upward destroying the tree tissue and breaking down its vitality. So don't wait.

Take the easy way of killing borers now. Water well and then pour a little diluted ethylene dichloride emulsion around the base of any tree or shrub where you've seen holes in the bark or frass like sawdust on the outside of the bark, because these are signs of borer injury. Borers will kill any trees or plants they choose to live in, so you can prevent this by killing them now.

Being a Californian, and California being considered the home of the Redwood trees, I naturally am partial to Redwood tubs to use as containers for many ornamental plants and shrubs. I think they are decorative and adapt themselves to most kinds of outdoor surroundings.

If you are using Redwood tubs I would suggest that you watch your watering program carefully because when plants are in ordinary pots, the heat draws the moisture out of the pots, but that is not the case with Redwood tubs. Therefore, plants growing in them require less water. In fact, it is very easy to over-water plants in Redwood containers.

I always recommend that a little broken pottery be put over the holes in the bottom of any pots for drainage; but I go one step further and advocate that a little pea gravel be used in addition to broken pottery at the bottom of the Redwood tubs to assure a still better drainage.

What's Doing In the PTA?

"Back to School For Parents' Night" will be the theme of the meeting for the Lemon Grove Junior High School PTA at 7:30 p.m. this Thursday. Each parent will experience a typical day's schedule followed by his child. The cafeteria will be open for inspection, and provide a baking demonstration. Colors will be posted by Boy Scout troop 309, of the Lemon Grove Congregational Church, under the direction of Bob Jones Scoutmaster. Hostesses for the evening will be rooms 8-4, 8-5, 8-6, 8-7, 8-8.

Polio shots are being given at Mt. Miguel High School from 4 to 9 p.m. this Thursday. Any shot, first, second, third or booster shot, is \$1. This is the second series of polio shots sponsored by Mt. Miguel Parent Teacher Association.

"Why Are We Doing What We Are Doing?" will be the subject of a talk by Keith Dolan, principal of Spring Valley Junior High School, to the Spring Valley Elementary School PTA, Thursday at 7:30 p.m. The meeting will be in the Junior High School on Conrad Drive.

Mrs. Margaret Spengler, District office librarian, who will have a part in the program, will have a display of books. Several tables of Christmas items for gift and decorative ideas will be shown by PTA members. Girl Scout Troop 1047 will present the flag ceremony.

LET'S TALK... TURKEY

Our meat department buyer has gone all out to make Thanksgiving your very best... At Don Diego you will find the finest in plump, broad-breasted, turkeys, both hens, and toms... in a wide variety of sizes to suit every family from two to twenty. Our buyer did not "buy blind" on his turkey hunt... instead he visited the many nearby turkey ranches and personally selected each bird with utmost care, so that we can offer you "SATISFACTION OR YOUR MONEY BACK" on your holiday poultry.

Bakery Treats
ON SALE FRIDAY

The management of Don Diego Market is happy to extend to the Lemon Grove Women's Club the facilities of our store to conduct their BAKE SALE, in the interest of community service. The ladies of this organization are to be congratulated for their untiring efforts to make our community a better place to live.

The proceeds of this bake sale are to be used for the WOMEN'S CLUB SCHOLARSHIP FUND . . . We of Don Diego earnestly solicit your patronage on behalf of this worthy project. Be sure to stop at the bake sale booth while shopping at Don Diego Friday.

Lemon Grove (Calif.) REVIEW

November 19, 1959 Page 5

Square Dance

News . . .

Final plans have been made by the Promenaders Square Dance Club for its Thanksgiving party dance night, scheduled for Nov. 25.

Frank Dyson was club caller for the Nov. 11 dance, with guest callers Dell Lake and Al Rider "doing their stuff" also. Just prior to the dance, caller Frank Dyson instructed the members in the Polka and Schottische dances in preparation for "invasion" of Little Bavaria on Nov. 25.

Host and hostess of the evening were Paul and Charlotte Phillips. Guests were Harold and Myrtle Johnson.

Frontier Squares' next dance is the Fourth Anniversary Dance, set for Saturday, November 28. "Non-obtrusive, up - to - date, smooth, decisive, crystal clear and definitely on beat" Bill Keller will be the caller.

The Merry Whirlers will hold their Harvest Hoedown Dance this Friday night at the El Cajon Women's Clubhouse, Gillespie Field. The Thunderbirds will be our special guests. We welcome all guests and callers. Ron East will be calling at the mike. Refreshments and door prizes. See you there.

NOTICE TO BIDDERS

Sale of Used Typewriters
The Grossmont Union High School District will receive offers to purchase USED TYPEWRITERS.

Each offer shall be submitted on a form obtained at the Purchasing Department, Grossmont Union High School District, Grossmont, California, shall be sealed and filed in said Purchasing Department on or before 2:00 p.m. on November 30, 1959 and will be publicly opened and read aloud at that time and place.

Typewriters may be inspected at the Purchasing Department, Grossmont Union High School District, Grossmont, California.

The right is reserved by the Grossmont Union High School District to reject any or all quotations or parts of quotations.

All typewriters are offered "for sale" as is and "where is." The school district makes no warranty, guaranty or representation of any kind, expressed or implied, as to typewriters offered for sale.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

GROSSMONT UNION HIGH SCHOOL DISTRICT
Grossmont, California.

Junior Women to Travel To Palm Springs Meeting

The Lemon Grove Women's Club Juniors are packing for a trip to Palm Springs this Friday and Saturday to attend the Area D. Fall Conference being held at the El Mirador Hotel.

They will leave their husbands and children at 8 a.m. and be home in time for Saturday night dinner. They will have a good representation by having 13 women attending.

They are Meses, Robert Bresnahan, Wayne Chubb, Thomas Cooke, John Harvey, Farrel Patton, Warren Peterson, George Teigen, Robert Torrens, Roy Vickery, J. Tom Mitchell, senior coordinator; Marie Wheeler, a senior member; and Miss Margaret DeRose. The main speaker at the conference will be Millie Crom, General Federation Community Affairs chairman.

At the business meeting Tuesday the decorations were the arts and crafts displayed at the senior Junior Reciprocity Tea held at the San Diego Women's Club house where the wall hanging made by Mrs. Ellen Allen won honorable mention.

On November 21 the program meeting will be held at the Lemon Grove Women's Club House. It will feature "Home Movie

Night" showing movies of the members and will include color slides of Japan presented by Dr. F. E. Hornbrook.

Each member will bring a large can of food and a dime to provide food for Thanksgiving for the 40 children at La Casa de la Esperanza Orphanage in Tijuana. Hostesses for the evening will be Mrs. Billy Castle, Mrs. Wayne Chubb and Mrs. Charles Blackburn.

Plans will be made for the booth the Juniors will have at the bazaar on December 2 at the clubhouse put on by the Women's Club Seniors.

Opti-Mrs. Club Meets, Hears Party Record

The Lemon Grove Opti-Mrs. met Wednesday at Lido's at 7:30 p.m. Two visitors from College Center Opti-Mrs. were present, Mrs. Frieda Wheaton and Mrs. Viola Ashbury. Mrs. Wheaton was given the honor of drawing the winning ticket for the doll, and the name drawn was Mrs. Mel Hammerstein.

Proceeds from the ticket sales on this doll are to be used for the Lemon Grove Opti-Mrs. Christmas projects. The program later in the evening was given by Mrs. Virginia Sherwood and consisted of a tape recording of the Halloween Party.

Fire Department Keeps Real Busy With Ambulance

Although there were no fires reported by the Spring Valley fire department for the week of Nov. 11-18, the ambulance crew was kept real busy.

Two calls were answered on Nov. 11. At 4:40 p.m., Kurt Werner, 24, of 5811 1/2 Linda Paseo, San Diego, had been repairing a car at 10122 Casa de Oro Blvd., Spring Valley. The car was jacked up and the jack slipped, the car coming down on Werner. He was taken to Navy Hospital.

At 8:30 p.m., Shelby Lee Freeman, 21, of 9126 Rosedale Ave., ran his car off Sweetwater Ave. He was taken to Grossmont Hospital with a possible broken arm and internal injuries.

Two year old Martha Patricia Harrison of 10320 Del Rio Rd., was given oxygen on Nov. 12 and taken to Grossmont Hospital.

Two runs were made on Nov. 13. Mrs. Lucille Ressa of Bancroft Dr. was taken to Grossmont Hospital for surgery. Then at 4:13 p.m. a student at Spring Valley Elementary School, Linda Ann Thompson, 7, was struck by a car on Bancroft Dr. She sustained cuts and bruises and was taken to a local doctor. She was back in school the following day.

Local Banker Marks 10th Anniversary

Charles O. Ayars, of 8028 Lincoln Ave., Lemon Grove, this month is celebrating his 10th anniversary with The First National Trust and Savings Bank of San Diego.

Ayars, who is assistant cashier and assistant manager of the bank's Lemon Grove branch, joined the First National staff in 1949.

Mr. and Mrs. Ayars and their three children, Deborah, 11; Charles Jr., 10, and Thomas, 7, have been residents of the local area since July this year. The children attend Golden Avenue School.

Ayars, who is a graduate of the University of California at Los Angeles, is vice president of the Lemon Grove Rotary Club and second vice president of the San Diego County Escrow Association.

Mrs. Ayars is past president of the Stephens College Alumni Association and a member of the Zlac Rowing Club.

Public Hearing Set on Zoning

SAN DIEGO (CNS)—A public hearing on a zone change requested by a Lemon Grove property owner twice turned down by the County Planning Commission, will be held at 11 a.m. on Dec. 1 before the County Board of Supervisors.

Dr. Gilbert Chassy is seeking C-1 zoning for land at the southwest corner of the intersection of Main Street and Pacific Avenue, now in C zoning.

Science Study Plan Sent to State by School District

LA MESA—A proposal for a \$122,244.72 science study project under provisions of Title 3 of the National Defense Education Act has been sent to the State Department of Education in Sacramento by the La Mesa-Spring Valley School District.

Dr. David Pascoe, assistant superintendent, said the application requests approval to spend \$67,152.74 for equipment and

\$55,091.98 for materials, of which one-half, or \$61,122.36, would be paid by the federal government on a match basis. Expenditures in the project, if approved, may be made over a two-year period.

As prepared, Dr. Pascoe said, the project proposes to strengthen science instruction in all schools in the district from kindergarten through eighth grade, with added emphasis upon the individualization of instruction and on the use of certain specialized equipment.

The Board of Education at its Oct. 26 meeting endorsed the project proposal upon the recommendation of Superintendent Glenn E. Murdock. State approval is expected within the next few weeks.

GREATER RESALE VALUE

another reason why YOU GET A BETTER BUY when you insist on **GENUINE LATH AND PLASTER**

So you don't PLAN to sell your home—you mean to LIVE in it. Fine. Then genuine lath and plaster construction will increase the value of your investment.

Genuine lath and plaster makes a house more valuable year after year, because it's SOUND CONSTRUCTION.

And if you DO sell—and most families do, after a few years—you'll find genuine lath and plaster is what buyers LOOK for—they'll "knock on the wall" to be sure.

In addition to greater resale value, plaster gives you...

- LONGER LIFE • FIRE PROTECTION
- SOUND INSULATION
- WIDER CHOICE OF DECORATING
- EASE OF MAINTENANCE
- CLEAN, SANITARY BEAUTY THAT LASTS!

Insist on the real thing...

La Presa Hospital Plan Approved

SAN DIEGO (CNS)—A zone change to permit construction of a hospital and medical center in the La Presa area was approved Friday by the County Planning Commission.

"Residential-professional" zoning was approved for the square block bounded by San Francisco, La Presa and Pecos streets and Jamacha Boulevard. The land was zoned for multiple dwellings at the time the whole La Presa area was zoned earlier this year. But it was agreed that a new classification would be promulgated later to permit the medical facilities.

After Friday's commission action, Dr. Michael J. Saliba Jr., one of the doctors behind the project, said the first construction would be of a medical-dental unit, with the hospital to come later. He said plans already were being prepared, but that it would be another month before purchase of the land came out of escrow.

Saliba declared he could not

give a time for construction of the hospital, although he added it was not impossible that work could begin within the next year.

Study Tour Reservations Open

San Diego State College's annual European Study Tour, to be held during the summer of 1960, is now accepting student reservations.

The tour will last 70 days, from June 25 to September 2. Students may earn up to six units of college credit in the courses being offered on the tour: European Civilization and pronunciation of French, German, and Italian, according to Dr. Ernest M. Wolf, professor of German and romance languages, the tour director.

A second San Diego State-sponsored European tour next summer will emphasize comparative education. Designed for teachers, it will be conducted by Dr. Paul S. Anderson, associate professor of education, and Dr. Marvin D. Alcorn, professor of education.

Students on the European Civilization tour will spend six days in Denmark, eight in England, eight in France, five in Switzerland, six in Germany, 12 in Austria and 18 in Italy.

Special features included in the tour price are attendance at the Olympic games in Rome; attendance at the Oberammergau Passion Play; attendance at a Shakespearean play in Stratford-

on-Avon; an excursion to the Palace of Versailles; lectures by European authorities; discussions and social events with European students and visits to European schools, universities, museums and art galleries.

Time also has been left open for individual exploration of famed European cities, Wolf said.

The tour with round trip by air from San Diego and back, both ways over the direct polar route, will cost \$1,595.20, includ-

ing all transportation, meals, and accommodations.

Co-directing the tour with Wolf will be Dr. Angela M. Kitzinger, professor of health and education. Both are experienced European travelers and have conducted previous tours.

Full information on San Diego State's two European tours for summer, 1960, may be obtained from the Office of Extended Services, San Diego State College, San Diego 15, Juniper 2-4411.

9935 Campo Road Spring Valley

Once Over Lightly

by Don Wilson

If ever I commit suicide, I'll bet that whoever discovers my body will find the nearby telephone off the hook.

And there'll be a woman on the other end of the line, still talking, and still telling me what a lousy job I'm doing as news editor of this paper.

Boy! What a week I had recently!

I went over to a lady's house in Lemon Grove to take a picture of a group preparing decorations for a party. The picture-taking went off all right.

But as I was packing up my flashbulbs and film, one lady said:

"Why does your paper print so much Spring Valley news? You never have anything in it about Lemon Grove."

I patiently explained that we try to balance things, and give each area its fair share of space.

And a few days later, a delegation of ladies from Spring Valley descended on our office.

"Why," they demanded, "do you NEVER have any Spring Valley news in your newspaper? All you ever have is stories about Lemon Grove."

I patiently explained that we try to balance things and give each area its fair share of space.

There were a couple of high school speech tournaments. Helix High School did well in one, and Mt. Miguel did well in another. We set type for both stories. When it came time to put the newspaper together, there was room only for the one about Helix High School.

The next day, a young lady with golden hair and a charming smile (I couldn't see either over the phone, but I had met her before and I remembered) called up and asked plaintively:

"Why did you print a story about Helix High School winning a speech tournament and didn't print a story about Mt. Miguel? We won a tournament too."

I patiently explained that we try to balance things and give each area its fair share of space.

And the next day a lady came into the office and asked rather firmly to see "somebody who can get our PTA stories into the paper." She added that four weeks had gone by without her PTA stories being printed.

I showed her a big story on the front page of the paper about an open house arranged by the PTA, with a laudatory statement by the school principal.

United Fund Goes Into Last Week Of Annual Drive

The United Fund this week went into the final week of its annual campaign to support 97 local and county health, welfare, and social service agencies.

Spurred on by a record-tying \$175,000 gift from employees at Convair-San Diego through their Contrib Club, the campaign total went past the 21 1/2-million-dollar mark and into the 80 per cent bracket.

Last year's United Fund Drive—although the most successful in the county's history—reached only 80.06 of its goal, not as high as this year's campaign was last weekend.

In Lemon Grove, the residential chairman, Mrs. Neil Zitren, 3745 Vista St., said that the area already has exceeded its goal this year. The goal was \$2,000 and Lemon Grove folks gave \$2,076, or 103.82 per cent.

Mrs. Zitren urged any local persons who have not been contacted in the local campaign to mail their contributions directly to the United Fund Headquarters, Post Office Box 2671, San Diego 12.

Smallpox Shots Offered at High School

Mount Miguel High School will cooperate with the San Diego Public Health Department which is sponsoring a Smallpox Clinic at the school on November 30 during regular school hours.

The chief objective of the coordinated drive is to make sure that all high school students and faculty at Miguel are vaccinated.

Students must furnish a signed statement previously mailed to all parents authorizing the shot at school. If the statement has been replaced, additional ones can be obtained by contacting Mrs. Isabelle McCrae, school nurse, at Mount Miguel.

pal about the PTA's activities.

"Oh," she said, "but that isn't the story that I sent you. I don't know where you got that one. I want MY stories in the paper."

I patiently explained that we try to balance things and give each activity its fair share of space.

And then a lady phoned.

"My club has voted to have me write a letter to you, thanking you for the wonderful publicity your newspaper gave us on our recent project. We just can't thank you enough."

"Please, lady," I said. "Cut it out. You're ruining what so far has been a perfect week."

Democratic Club To Discuss China

The question of whether or not Red China should be recognized by the United States and admitted to the United Nations will be discussed at the next regular meeting of the Lemon Grove Democratic Club; the speakers: George Bergstrom and William Bauer, of San Diego State College.

The political implications of this issue in the forthcoming 1960 campaign make it an especially timely subject for discussion, the pros and cons of which are not widely understood.

The speakers, who have specialized in speech and international relations, are said to be well qualified to present both sides, so the program promises to be a spirited and stimulating one.

The meeting will be held in the home of the president, Mrs. H. J. Warner, 7815 Mt. Vernon, Lemon Grove, this Friday at 8 p.m. The customary question-and-answer period will follow the formal presentation. Refreshments will be served. The public is invited. There is no admission charge.

Adult School Offers Class for Hospital Aide Training

The Grossmont Adult School soon will open two new classes for prospective hospital attendants. The evening class will operate Tues., Wed., and Thursday, and will meet in the vocational nurses' hut at the north end of the Grossmont Hospital grounds.

This class will open December 1. The daytime class will be held at the Edgemore Geriatric Hospital, Santee, on Tuesday, Wednesday and Thursday. This class will start about January 11. Qualifying examinations are required before being admitted to this class.

Applications are now being taken either at the nurses' hut at the Grossmont Hospital or the Grossmont Adult School. To reach Mrs. Parrish, coordinating nurse of the program, telephone HO 9-5784. This nurses aid course of 180 hours is accepted as qualification by the county civil service department. A certificate, when granted after completing this class, will be received by all county hospitals and they will help job placement by waiving the experience requirement.

Further information may be had by calling HO 9-5784 or the Grossmont Adult School Office HO 3-6689.

Attention All Parents

Student Guidance: Right Occupation

EDITOR'S NOTE: This is the fifth in a series of articles on student guidance. Others will appear in subsequent editions of this newspaper.

By Dr. Edward C. Roebber
What's in a name? A lot. You'd be surprised at the importance the average American attaches to the name of his trade or craft or work or profession.

The name of an occupation is very important to people. It gives them a feeling of acceptance and importance. If the name of a man's work doesn't satisfy him, he will seek out a substitute.

Real estate salesmen prefer to be known as real estate counselors.

Tree surgeons use the name "engineer."

And what does all this mean? It means just this: That more and more, the trend in modern living is to attach pride to work. To attach prestige to breadwinning.

However, the name of the occupation a person follows isn't the first consideration. The first consideration has to be—

"GETTING HIM INTO THE RIGHT OCCUPATION."

That's where guidance counseling comes in. That's where the responsibility of our educational system to our youth comes in. In fact, that's where YOUR responsibility to the future of your children and your nation comes in.

Of course, it goes without saying that the perfect solution to the problem of offering students the very best in guidance assistance is through the services of a fulltime professional counselor.

Realistically, we all know this cannot always be accomplished. At least not right now. So, what other steps do we take?

First, we should try to put into the hands of the students the best possible materials... materials which are written and published especially for this purpose. Our teachers and principals and superintendents know the value of good student guidance and they will see to it that the proper tools are put to work. If we see to it that the proper tools are made available.

Second, we should play our individual parts in stressing the need for this phase of educational preparation to our fellow citizens, to our neighbors, and to our youngsters.

With these two ingredients, we will succeed in giving our future citizens the next best thing to fulltime, professional counseling.

Just exactly what is counseling?

It can be defined in several ways. According to the ordinary dictionary, "to counsel" is "to advise, caution, dissuade, persuade, suggest, etc."

Student guidance counseling is much more than this. The pioneers in this very important work see counseling as a conversation with a purpose between two people.

A student has need for assistance. He may want help with

School Library Seeks More Books

Mount Miguel High School's library, together with the Boosters Club and the Key Club, is sponsoring a drive to add to Mt. Miguel's stock of books.

Members of the community are urged to donate books of all kinds—paperbacks and magazines too. Because Mt. Miguel opened in September of 1957, issues of magazines from the months of January through September of that year are particularly needed.

At this time, books for "reluctant readers" will be especially appreciated—Westerns, mysteries, horse and dog stories. These will not be placed in the main library, but will be placed in a special library in the English-Social Studies department.

Mrs. Jeannette Rambatt, librarian, promised that "Books unused are of little use to anyone. Books donated to the Mt. Miguel library will be used."

Real Estate Sales On Upswing Here

According to Trends, monthly real estate publication of the Union Title Insurance Company, the Lemon Grove-La Mesa-Spring Valley area was second in the county of San Diego in total number of real estate sales for the month of October. In September this area totaled 384 sales and in October, 433. This figure helped to create the best real estate month in San Diego's history.

James C. Downs Jr., editor of Trends, states that, "The most desirable vehicle of wealth to have owned during this past six months has been cash. Its earning power has risen faster than either corporate shares, commodities, or real estate. This trend is characteristic of deflation, not inflation."

decisions, plans, or personal adjustments. The other conversationalist—who may be a homeroom teacher or an economics teacher or a professional counselor—should be a person with special skills or equipped with special materials who can assist the student seeking help.

From this "conversation" will grow many things. It will foster a plan of direction in the mind of the student. It will instill confidence in the future for him. It will help him learn to face problems with calmness and with an understanding of the necessary steps that must be taken to find solutions.

Counselors are faced with many student problems. Even parents get into the act.

A frantic mother calls and wants the counselor to counsel her daughter out of marriage to a young man before she graduates from high school.

A father telephones and wants his son counseled out of wasting his time on art and study engineering instead.

A mother calls because her daughter is interested only in music. She feels the youngster should have a wider range of interests.

These requests from mamas

and daddies are important, of course. But this is not the primary function of student guidance.

In the first place, the student needs to be guided because he WANTS to be... and not because his parents want him to be.

In the second place, guidance can't work without understanding on the part of the student that all this is for his own aid in facing the future in the occupation in which he is best suited.

And, in the third place, the final decision MUST be up to the youngster.

Counseling is not pushing. It is steering.

Our youth need steering. They need help in helping them to find themselves, direct themselves in today's tremendously complicated world.

This is counseling. Whether it be through a professional who devotes his entire time to counseling. Or whether it be through the services and interest and—indeed—love of the homeroom teacher who is willing to use the tools she has available to help her students find their proper places in life.

We owe it to them all to help in student guidance.

Aficionado Presents Relics to Mt. Miguel

In keeping with the Matador theme of Mount Miguel High School, Wesley T. Alvens, who resides at the St. James Hotel in San Diego, has presented to the school a group of bullfight relics.

Two sets of banderillas which were given to the school have been used in a bullfight, and bear the blood of the bulls which felt their mark. Also, a pair of horns from the Piedras Negras Ranch whose colors, red and black, are Mt. Miguel's, was presented, along with various posters depicting bullfight scenes.

Alvens, a true aficionado, also donated a sword used in the bullring, and a hat worn by a bullfighter. A highlight of this group is the colorful ring cape, autographed by Jesus Peralte, Tijuana bullfighter.

These items are being put to use by the Girls' Physical Education Department, to whom these items were presented on November 1. The department plans to display the trophies in a room in the girls' gym. Mrs. Dorothy Finney, on behalf of the faculty of the girls' physical education department, and Sharon

Finney and Janice Niemi on behalf of the Specialties Corps, accepted the awards.

Robert Conger, Spanish teacher at Miguel, is displaying a portion of the awards on a bulletin board in his classroom.

Plans are also being made to use the Piedras Negras horns, decorated in red felt and black fur, as a perpetual trophy to be vied for each year between Mt. Miguel and the yet-to-be-named new Spring Valley high school, which will open next year. Helix and Grossmont's football teams fight each year for the Musket, and Mt. Miguel annually attempts to gain possession of the Claymore, Scottish sword, of Helix High.

PLANS OKAYED

SAN DIEGO (CNS)—Tentative plans for developing 29 lots in two subdivisions in Spring Valley were passed on at Friday's County Planning Commission session. Twelve of the lots will be in Zabal Estates and 17 in Queens Manor. Final plans must be submitted for county approval within a year.

Mt. Miguel Tromps El Capitan High 21-13; Girds for Fight With Helix

By Bill Ott Jr.

Mt. Miguel came from behind Friday night and rolled past the El Capitan Vaqueros 21-13 on the Helix field.

The Vaqueros intercepted a Miguel pass and turned it into a scoring drive capped by a 1-yard plunge by fleet halfback Joe Sewall. The PAT attempt failed for the faltering Vaqueros.

Matador halfback Dave Enos hit paydirt in the second quarter on an 8-yard jaunt around end for the Matadors' first tally of the game. Dick (PAT) Schwab booted the ball through the uprights for the PAT. The Vaqueros bounced back and scored again on fullback Les Cites' 3-yard plunge into the middle of the line. Cites once again plunged into the center of the line for the PAT, giving the Vaqueros a 13-7 halftime intermission advantage over the Matadors.

Enos again put the Matadors ahead on a 2-yard dive play off-tackle. Schwab booted his second PAT for the evening giving the Miguel "eleven" a 14-13 third quarter score.

Eric Lindsten, Matador fullback, added a touchdown in the

fourth quarter on a 1-yard plunge into the line. Schwab booted the PAT for the winning Matadors, his third for the night in 3 attempts. Miguel's defense tightened up and the Vaqueros were held scoreless throughout the second half.

The Matadors have 4 wins and 2 losses and 1 tie in league play,

and overall stand 5-2-1. Miguel will try to retain the Claymore in their annual battle with their rivals, the Helix Highlanders this Friday night at Helix. Kick off time is slated for 8 p.m.

Score by quarters:
Mt. Miguel.....0 7 7 7-21
El Capitan.....6 7 0 0-13

on the

Sports Sidelines

Webb Carson (right) thanks Carmine Ursillo for a good job.

Ursillo Steps Down Amid League Applause

Carmine Ursillo stepped down from the presidency of the Lemon Grove Little League at the league's last meeting. He was succeeded by Webb Carson.

Ursillo, who has been named commissioner of the National Little League's District 42, was given a special award by the local league—presented to him and to his wife by Carson.

As new district commissioner, he will represent Skyline, Encanto, Twin Hills, National City, Chula Vista and Imperial Beach Little Leagues at the national "congress" in Chicago next spring.

In making the presentation to Ursillo, Carson cited the "many unselfish hours spent in running the league and the name we now

hold as being so well organized" and credited Ursillo and his wife for "pulling the league through tough times."

He said that the Ursillos were largely responsible for getting voluntary, free help in moving the league's ball diamond from the swimming pool site to its new location near Monterey Heights School.

James B. Carey, union leader of the International Electrical Workers:

"In the past year big business and industry—glutted by unprecedented profits and power—have declared almost open war on unionism..."

Short Shots . . .

Mt. Miguel's Freshmen Football team brought home the first victory for a frosh team at Miguel by shutting out the Escondido Cougars Frosh team 12-0 at Escondido. The game marked the end of the season for the boys who are in their first year of organized football.

Sports Shorts—Dave Enos was picked "Star of the Week" for the Metro League by the San Diego Union for his fine performance in the Mt. Miguel-Grossmont game. . . Eric Lindsten of Miguel is the fifth highest scorer in the Metro loop. Enos is ninth. . . Dick Schwab has booted PATS in 11 attempts, for a fine 82 per cent. . . Chula Vista won the Metro League Title last Friday night by smashing Helix 32-0. . . Coach Ben Duea has 130 boys out for wrestling at Miguel and expects more after football season. . . Grossmont was a pre-season choice for first place in the league. . . Miguel seventh out of nine teams.

Grove Sailor Back Home

SAN DIEGO (Spcl.)—William S. Sayward, aviation machinist's mate first class, USN, son of Mr. and Mrs. H. R. Sayward of 7452 Central Ave., Lemon Grove, and husband of the former Miss Margaret V. Hixson of 7456 Central Ave., Lemon Grove, is serving with Air Anti-Submarine Squadron 38 at the North Island Naval Air Station, San Diego. On Oct. 1, the squadron returned to the United States after a six-month tour of duty with the U.S. Seventh Fleet in the Western Pacific.

'Pop Warner' League Football Team To Hit Gridiron Locally

The first "Pop Warner" Football League team is about to be fielded here according to Al Burke, one of the officials of the Juniors' Division team.

Burke said the youngsters in the eight to fifteen years age bracket are separated into four classes on a weight-and-age basis.

The boys are dressed in full football regalia and play by "amended" standard football rules. In the Lemon Grove-Spring Valley area 28 boys are being outfitted. The local team will play against similar teams in Oceanside, Vista, Capistrano and Anaheim. Under consideration presently is a "bowl" game in Lemon Grove with the team from Ft. Worth.

Air Force Mothers To Meet Thursday

The regular monthly meeting of the Air Force Mothers Club, Flight Two, will be held in Room 2 of the War Memorial Building in Balboa Park this Thursday at 8 p.m.

A "specialty" bazaar will follow a short business meeting, which will include a report from the state board of directors on convention arrangements and on organizing two new flights locally.

GROVE ARMY MAN IS 'HEAVEN SENT'

MAINZ, GERMANY (Spcl.)—Army PFC George R. Simmons, son of Mr. and Mrs. George Simmons, 7236 Waite Dr., Lemon Grove, recently participated with the 8th Infantry Division in Exercise Heaven Sent, a field training exercise in Germany.

Local Marine Wins New Rank

SAN DIEGO (Spcl.)—A Marine Corps Reservist from the 1st Tank Battalion USMCR, Private First Class Raoul Lowery, 18, of Lemon Grove, was meritoriously promoted to his present rank at graduation ceremonies, Marine Corps Recruit Depot here November 3.

Lowery proved himself one of the outstanding men of his recruit platoon by his initiative, leadership qualities, discipline, and knowledge gained in military subjects during his eleven weeks of recruit training.

A graduate of Herbert Hoover High School in June, 1958, he went on to attend San Diego State College where he majored in history and political science. He now goes to Oceanside for four weeks of individual combat training at Camp Pendleton.

Farm Census Underway

Field work in the 1959 Census of Agriculture gets underway locally Thursday of this week when the force of census takers will start visiting every farm in the area, it was announced recently by field director Leonard C. Isley of the Census Bureau's regional office at Los Angeles.

Farm census questionnaires have been mailed to all farm operators. The census takers will visit all local farms to collect the questionnaires and, if necessary, assist the farmer in filling out the report form.

The 1959 Census of Agriculture is the 17th in a series of nation-wide farm canvasses, the first of which was conducted in 1840. The Census of Agriculture is taken at five-year intervals to provide up-to-date statistical information about the nearly five

million farms which supply food and raw materials for manufacture of goods used by the people of the United States, now numbering about 178 million.

The current census will yield information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment and selected farm expenditures.

The field director emphasized that all information about individuals and their farm operations furnished to the Census Bureau is held in absolute confidence under federal law. It is used only to provide summary figures such as totals, averages, and percentages. The information on an individual report cannot be furnished to any one other than sworn census employees and thus cannot be used for investigation, taxation, or regulation.

FIREMEN'S RELIEF ASSN.

The following officers were installed in the Spring Valley Firemen's Relief Association at their Nov. 3 meeting: Clifford Pennick, president; Stanley Mourning, vice president; Ronnie Lucas, secretary, and Herb Preston, treasurer. Installing officer was Daryl Stager. The outgoing president was assistant chief L. D. Lawton.

IN MOCK ASSAULT

CAMP PENDLETON (Spcl.) Marine Acting Sgt. Earl W. Penny, son of Mr. and Mrs. T. A. Phole of 1751 Colfax Dr., Lemon Grove, participated in an amphibious exercise, Oct. 24, on the beaches of Camp Pendleton while serving with the First Marine Division. Known as Operation "Eagle Eye", and involving Navy ships and Marine air groups called for troops to land on the beaches and assist the mythical country of "Pentonia" in destroying guerilla forces and restoring law and order to the province of "Campon".

County Kindergarten Teachers To Attend Lemon Grove Meeting

Lemon Grove hosts the county kindergarten teachers Tuesday at a special dinner program at San Altos School. Approximately seventy-five kindergarten instructors from schools of the entire area will gather to hear Dr. R. Van Allen, county office staff discuss the development of reading at 5 p.m. The dinner is scheduled for 6 p.m.

Miss Dorothy Pavlovic, Lemon Grove Kindergarten teacher at Vista La Mesa School, will welcome the county delegate to this community. Mrs. Adelina Jamerson, Fallbrook president of the group will introduce the speaker.

La Mesa Writers To Meet Monday

Poetry workshop will be the main order of business when the La Mesa Writers Club meets Monday at 1 p.m. in Porter Park hall, La Mesa Blvd. and University Ave. All members are asked to bring original poems. A report on the October writers conference held near Twenty Nine Palms will be given. President Mrs. Gladys Orr says that visitors and former members will be welcome. Any person interested in creative writing is welcome to join the La Mesa Writers Club. The club meets the fourth Monday of each month at Porter Park Hall.

HELPING NATURE

Man no longer expects nature to grow timbers as large as he needs. Today he glues small pieces of Douglas fir lumber together to make giant beams which can span a 300-foot distance without need of support posts.

☆ Read a book occasionally, even if you have to borrow one.

Spring Valley (Calif.) BULLETIN
November 17, 1959 Page A-3

ONLY A FEW

Of the hundreds of native American commercial lumber species, only a few are used for flooring. In addition to maple and oak, two other popular choices are Douglas fir and west coast hemlock.

Review — Bulletin
7834 Lester Avenue

The school traffic patrol of Saint John of the Cross School was organized about 1953. Approximately thirty boys are in the patrol which is divided into four squads. Each squad has the duty for one week.

The patrol is on duty at Sweetwater and Broadway, Washington and Broadway, and at the crosswalk between the school grounds on Washington.

The Lieutenant in charge is Jon Christianson. Sergeants in charge of each squad are Timothy Ruef, James Kruk, Steve Rotsart, and Timothy Shae.

Officer Turner of the California State Highway Patrol meets with the boys each Wednesday at the school.

We have a merit and demerit system. The merits are 5 points for morning duty and 5 points for after school duty. The demerits are misbehavior 2 points, late for duty 2 points, untidy dress 1 point and not reporting for duty 5 points. Prizes will be given for the highest number of points at the end of the school year. Several privileges and events help to make the traffic patrol and enjoyable organization.

AREA NO. 74—

PANORAMA DRIVE et al.
NOTICE INVITING
SEALED PROPOSALS
 Pursuant to the provisions of the Improvement Act of 1911 and to Resolution Ordering Work adopted on November 3, 1959, by the Board of Supervisors of the County of San Diego ordering the work described in said Resolution,

NOTICE IS HEREBY GIVEN that said Board of Supervisors invites and will receive up to but not later than 11:45 o'clock a.m. of the 1st day of December, 1959, sealed proposals or bids for doing the work and improvement ordered in said Resolution, to wit: The construction of sewers, manholes and appurtenances in PANORAMA DRIVE et al. in the City of La Mesa and adjacent unincorporated area of the County of San Diego, Area No. 74. Such bids will be received in the office of the Clerk of said Board of Supervisors, Room 306, City and County Administration Building, 1600 Pacific Highway, San Diego, California, and shall in open session of said Board of Supervisors be publicly opened, examined and declared.

The Resolution of Intention adopted by said Board of Supervisors on September 29, 1959, is hereby referred to for a description of said work and improvement, the grades to which it is to be done, a description of the district to be improved, the costs and expenses thereof, the bonds to be issued, and for all further particulars contained in said Resolution of Intention. Reference is hereby made to the plans, drawings, typical cross-sections and specifications for said work on file as Document No. 270945 in the office of the Clerk of said Board of Supervisors, in accordance with which said work shall be done.

Copies of plans, forms of proposal, bonds, contract and specifications may be obtained at the office of Jean L. Vincenz, Engineer, 4005 Rosecrans, San Diego, California, for the sum of \$5.00. Said payment is not refundable.

The said Board of Supervisors, in accordance with the provisions of the Labor Code of the State of California, has heretofore established the general prevailing rates of wages applicable to the work to be done, which rates are as follows:

Craft or Type of Workman	Per Diem Wage
CEMENT MASONS	
Cement Mason Foreman	\$31.64
Cement Mason	\$29.64

LABORERS	Per Diem Wage
Laborer, General or Construction	\$23.04

Jamacha Speed Set at 45 Miles

Establishment of a 45 mile per hour speed zone on Jamacha Road and Grand Avenue in the Spring Valley area was approved Tuesday by the County Board of Supervisors.

The speed was 20 mile an hour higher than that sought by Mr. and Mrs. Don Etherton, of 8948 Jamacha Blvd., who asked for the zone. The 45 mph zone was endorsed by the San Diego County Traffic Committee.

The old speed limit in the section was 25 miles an hour. The committee said this was "unenforceable."

ENGAGED — Mr. and Mrs. Charles Inghusen of Dulzura announce the engagement of their daughter, Therese, to James E. Arnold, son of Mr. and Mrs. James P. Arnold of Ocean Beach. Miss Inghusen has been secretary-office manager for an El Cajon insurance agency for the past seven years. Arnold expects to graduate with a BA degree from San Diego State College in January. He is employed at Ryan Electronics. A late February wedding is planned.

AREA NO. 51—SPRING VALLEY SANITATION DISTRICT

NOTICE OF FILING OF ASSESSMENT AND OF TIME OF HEARING

Assessment No. 77

NOTICE IS HEREBY GIVEN:

That the Superintendent of Streets of the Spring Valley Sanitation District, pursuant to the Improvement Act of 1911, has filed with the Secretary of said Sanitation District an assessment, with diagram attached, to cover the sum due for the work performed and specified in the contract, including all incidental expenses, for the construction of sewers, manholes and appurtenances in BROADWAY et al. in the SPRING VALLEY SANITATION DISTRICT, Area No. 51, all as more fully set forth in the Resolution of Intention, as amended adopted September 29, 1959, by the Board of Directors of the Spring Valley Sanitation District, hereinafter referred to as the Board of Directors, which Resolution of Intention reference is hereby made;

That the 8th day of December, 1959, at 11:00 o'clock a.m., in the chambers of the Board of Directors of the Spring Valley Sanitation District, Room 310, City and County Administration Building, 1600 Pacific Highway, San Diego, California, is hereby fixed as the time and place when any and all persons interested in said work or said assessment may appear and be heard by said Board of Directors. Any person feeling aggrieved by any act or determination of the Superintendent of Streets or Engineer in relation to said work or assessment, or who claims that the work has not been performed according to the contract, or who claims that any portion of the work was omitted or illegally included in the contract, or having any objection to the correctness of the assessment or diagram or other act, determination or proceeding of said Superintendent of Streets or Engineer shall, prior to the day fixed for said hearing, appeal to said Board of Directors in the manner provided by law, by briefly stating in writing the grounds of appeal. Such appeal must be filed in the office of the Secretary of said Sanitation District prior to the day fixed for said hearing.

Dated: November 10, 1959.

HELEN KLECKNER
 Secretary of the Board of Directors of the Spring Valley Sanitation District, Room 306, City and County Administration Building, San Diego, California.

Board 'Files' Anti-Sewer Bid

SAN DIEGO (CNS) — A letter from a Spring Valley man asking to be omitted from a sewer improvement plan was filed Tuesday by the County Board of Supervisors. The action, in effect, rejected his request.

The writer, Harry A. Gurns, of 3527 Ybarra Rd., said he was not present at a hearing Nov. 3 when the proposal was discussed. He asked that the proposed line, covering the Ybarra Road section, terminate at the south

boundary of his property.

The protests of three other property owners over inclusion in the sewer plan were considered at that meeting. At that time, the board made an unwritten pledge that they would be omitted at a later date when work progresses. The lines are to be part of the Spring Valley Sanitation District, with the City of La Mesa paying the district \$2.85 per month for each connection.

Delta Zetas To Feature White Elephants at Sale

The San Diego Delta Zeta Collegiate Chapter, Alumnae, and Mother's Club are to hold their fourth Annual White Elephant and Rummage Sale this Friday and Saturday in the American Legion Hall, 4061 Fairmont Ave. The public is invited to browse around and take advantage of the unusual bargains.

Proceeds will go to philanthropies to which Delta Zeta contributes. These include Gallaudet College, the only college in the United States for the deaf, and Hillcrest Receiving Home for which a "birthday treasury" has been set up to provide the chil-

dren who are temporarily without homes with birthday gifts during the year. Last year the Delta Zeta Parents Club provided over 200 gifts which meant that each child received a gaily wrapped gift from the Delta Zeta Birthday Treasury along with a cake provided by the home.

A local Gallaudet College student will receive a \$50 scholarship from the Alumnae.

There will be beverages and food sold at the white elephant sale by the Collegiates.

Anyone who has anything to contribute to this sale is invited to call Mrs. Willis Carr of Lemon Grove at HO 9-6260, Mrs. Mike Romero of Encanto at CO 4-8667, or Mrs. Leroy Deise of Spring Valley at HO 9-2971. Assisting with public relations are Mrs. Theodore E. Sladek of Lemon Grove and Mrs. John P. Gimbel of La Mesa.

Sorority Holds Birthday Dinner

The Lemon Grove Ritual of Jewels chapter of Beta Sigma Phi held its annual birthday dinner last week at the Golden Lion restaurant with an exchange of secret sister courtesies and a Ritual of Jewels ceremony.

Mrs. David Rutter, s social chairman.

Mrs. Edwin Moss received the Ritual of Jewels at the dinner, a formal affair.

of the contest, said the event was for girls aged 14 to 22, and was judged on the basis of workmanship, fit of the garment, appropriate wool for the pattern design, and suitability of the style for the contestant.

The girls' 3-day visit in Los Angeles included a trip to Disneyland, fashion tips, and sightseeing in Hollywood.

Prizes totaling \$45,000 ranged from sewing accessories for regional winners to sewing machines and wool fabrics to state winners. Scholarships and a European tour are in store for the two national winners.

Job's Daughters Initiate Five

At the last meeting of Job's Daughters, Bethel 229, the following girls were initiated: Susan Rogers, Carol Thorogood, Nancy Gordon, Lola Nash and Paula Nash. They were initiated by Honored Queen Betty Clevenger.

October 28, the members of the Lemon Grove Bethel enjoyed themselves at a traveling dinner. They went to five different houses to have several different courses for their dinner.

On October 25, the Job's Daughters and the DeMolay from Lemon Grove had a joint church Sunday in the Friendship Hall of the Lemon Grove Congregational Church. The special church service was held at 9:30 in the morning and was held by the Rev. E. Walter Smith. The Honored Queen and the Master Counselor also took part in the church service.

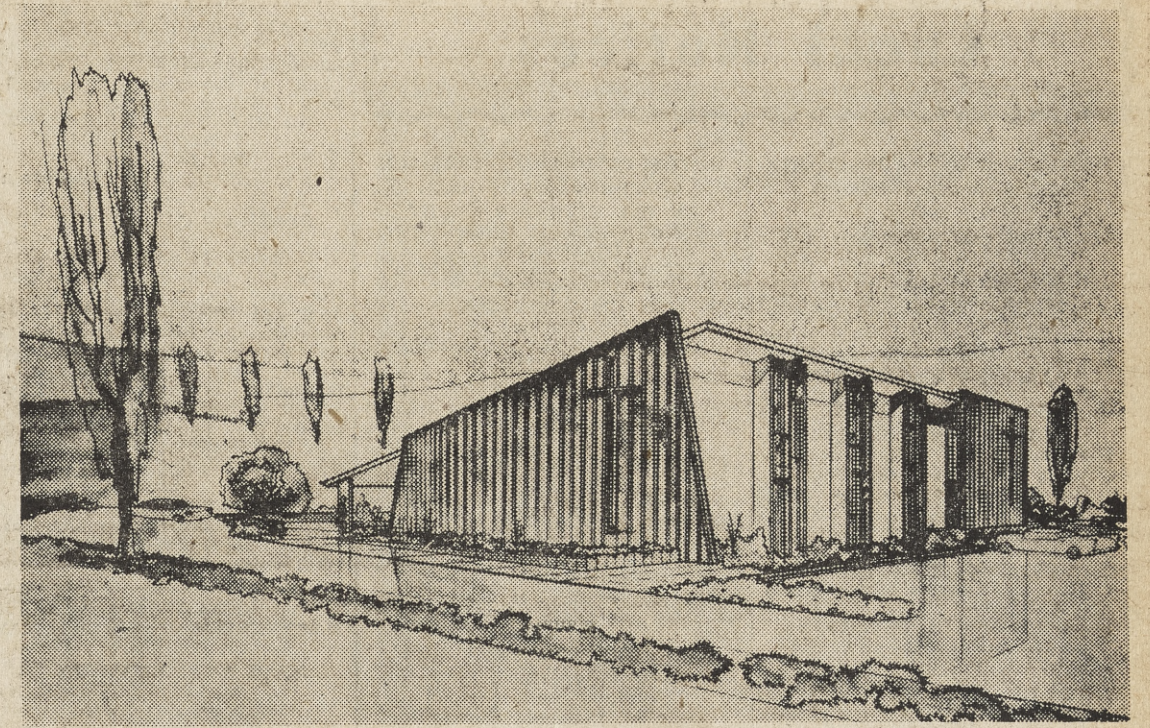

YMCA Activities To Be Localized

YMCA activities in the Heartland area will be handled by local personnel under a new plan being set up locally, it was announced this week by Frank R. Meyer, executive secretary of the Heartland YMCA District.

The branch office will remain in La Mesa but a representative from the Lemon Grove-Spring Valley, La Mesa, El Cajon, and Lakeside areas will each be given executive status.

Under the new organization, these districts will be separated from the YMCA county program to the extent that the four communities may set up their own YMCA program, tailored to the community's individual needs.

In the Lemon Grove-Spring Valley area V. J. Dorman has been named head of the organizing committee.

CHURCH LAUNCHES DRIVE—Shown above is an artist's conception of the first unit of the Foothills Methodist Church in Spring Valley. The church will be constructed on Avocado Boulevard at Nabal Drive, which is located between Spring Valley and Calavo Gardens east of Mt. Helix. Ground breaking ceremonies are expected to occur during the first part of 1960. A building fund drive is in progress. A portion of the funds necessary for construction already has been provided by the Methodist church and other organizations. The local congregation's goal is to raise \$49,140 during the next three years.

NOTICE OF PROPOSED CHANGE OF ZONE BOUNDARIES OR CLASSIFICATION

(Lemon Grove Zoning District)
NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Diego will hold a hearing on Tuesday, December 1, 1959, at 11:00 a.m. in the County Administration Building, Civic Center, San Diego, California, on the application of B. B. Louise Dail for an amendment to the Zoning Ordinance (County Ordinance No. 1402 (New Series)) to change the zone classification of the following-described property within District No. 12, Lemon Grove Section, San Diego County, from R-2-A Zone to R-3 Zone:

All of Lot 16 of Hermosa Park according to Map thereof No. 2289 on file in the office of the County Recorder of said County, EXCEPTING therefrom the real property within the boundaries of Record of Survey 1875 on file in the office of said County Recorder.

The County Planning Commission, after making the investigation and holding the hearing required by law, is recommending that said application be granted.

For further details reference is hereby made to the application, the recommendations of the County Planning Commission, including a proposed amendatory ordinance submitted by said Commission, and a map showing the proposed change, which are on file in the office of the Clerk of the Board of Supervisors, County of San Diego City and County Administration Building.

NOTICE TO CONTRACTORS INVITING BIDS

NOTICE IS HEREBY GIVEN that the Lemon Grove School District of San Diego County, California, acting by and through its Governing Board, will receive up to and not later than 4:00 o'clock p.m. of the 14th day of December, 1959, sealed bids for the award of a contract for all work in connection with:

1) Grading, Drain Lines & Paving at Vista La Mesa School, located at 7101 Pearson Street, Lemon Grove, Calif.; and/or

2) Chain Link Fencing at Vista La Mesa School, located as above.

Such bids shall be received in the office of the Superintendent of said District at: 3025 Lincoln Street, Lemon Grove, California, and shall be opened and publicly read aloud at the above stated time and place.

Bids must be made in response to this invitation, the Information for Bidders, the Specifications, the Plans, and all the other documents comprising the pertinent Contract Documents are now on file and may be obtained in the office of Clyde Hufbauer-Architect, Inc., at board at 1975 Fifth Avenue, San Diego 1, California.

Each bid shall be accompanied by a certified or cashier's check payable to the District of a satisfactory amount in full, and a bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company in the amount not less than 5% of the contract amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the contract in accordance with the contract documents and shall provide the surety bond or bonds as specified therein within five (5) days after notification of the award of the contract to the bidder.

The District reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

Successful bidder shall be determined the prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of workman needed to execute the contract recommended by law to the successful bidder, to be as follows:

Trade or Occupation	Per Diem	Hourly Wage
Asphalt Raker & Ironer	\$24.72	\$3.09
Asphalt Spreading Machine Operator	31.28	3.91
Cement Finisher	29.64	3.75
Cement Mason	31.64	3.95
Concrete Mixer Operator	26.96	3.37
Driver - Skip Type	25.24	3.15
Drivers, Truck - less than 6 tons	25.24	3.15
Drivers, 6 to 10 tons	25.48	3.18
Drivers, Transit-Mix - 3 yards or more	28.28	3.53
Drivers, Water Truck - under 2500 gal.	25.72	3.25
Excavator	31.00	3.75
Iron Worker - Reinforcing	30.60	3.82
Iron Worker - Ornamental	32.60	4.07
Laborer	23.04	2.88
Laying of all Non-Metallic Pipe, including sewer pipe, drain pipe and underground line	25.52	3.19
Making up of all Non-Metallic Pipe joints, tarman, Mortarman and pot	24.56	3.07
Operators of all types of Pneumatic and Electric tools, vibrating machines, and similar mechanical tools not separately classified	24.72	3.09
Plumbers & Steamfitters, Journeyman	32.80	4.10
Rubber-Tired Heavy Duty, High Speed Equipment Operator	31.28	3.91
Tractor Driver	28.88	3.61
Tractor, Tamper, Scrap-er, Dragtype Shovel or similar type	31.28	3.91
Trucking Machine Operator (Up to 100 cu. yd. capacity, manufacturer's rating)	29.76	3.72
Laborer, Operating Engineer and not less than 1025 per hour classification over which he may have supervision	32.80	4.10

The foregoing schedule of per diem wages is based upon a working day of eight (8) hours. The rate for legal holiday and overtime work shall be at time and one-half. The above is the per diem rate divided by the aforementioned number of hours constituting a working day.

Contractor, who the whole of is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Attention is called to the fact that a list of proposed subcontractors must be submitted to the District at least ten (10) days before the date set for the opening of bids.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

By: M. B. BROSE, Board Clerk, Lemon Grove School District, San Diego County, California.

L.G. REVIEW Nov. 19, 26, Dec. 3

NOTICE OF PROPOSED CHANGE OF ZONE BOUNDARIES OR CLASSIFICATION

(Lemon Grove Zoning District)
NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Diego will hold a hearing on Tuesday, December 1, 1959, at 11:00 a.m. in Room 310, San Diego City and County Administration Building, Civic Center, San Diego, California, on the proposal of the County Planning Commission to amend the Zoning Ordinance (County Ordinance No. 1402 (New Series)) to change the zone classification of the following-described property within District No. 12, Lemon Grove Section, San Diego County, from C-1 zone to C zone:

Lots 1 to 8, included in Block "D" of Subdivision 3 of Lot 12 of Ex Mission Rancho according to Licensed Survey Map 5 on file in the office of the County Recorder of said County.

The County Planning Commission, after holding the hearing required by law, has recommended that its proposed amendment be adopted by the Board of Supervisors.

For further details reference is hereby made to the recommendation of the County Planning Commission, including the proposed amendatory ordinance, submitted by said Commission, and a map showing the proposed change, which are on file in the office of the Clerk of the Board of Supervisors, County of San Diego City and County Administration Building.

At the same time and place the said Board of Supervisors will hold a hearing on a proposal to amend the Zoning Ordinance (Ordinance No. 1402 (New Series)) to change the zone classification of the following-described property within District No. 12, Lemon Grove Section, San Diego County, from C zone to C-1 zone:

Lot 2 and the Northerly 30 feet of Lot 2 in Block "B" of Subdivision 3 of Lot 12 of Ex Mission Rancho according to Licensed Survey Map 5 on file in the office of the County Recorder of said County.

The County Planning Commission, after holding the hearing required by law has recommended that said proposed amendment not be adopted.

For further details reference is hereby made to the recommendation of the County Planning Commission which is on file in the said office of the Clerk of the Board of Supervisors.

R. B. JAMES, County Clerk and ex officio Clerk of the Board of Supervisors

Students to Drive In Economy Contest

Students of Mt. Miguel, Grossmont, Helix, El Cajon and El Capitan High schools will participate December 5 in a safety-economy run, according to an announcement by Leonard Berdan of the El Cajon Junior Chamber of Commerce.

The safety-economy run will permit a maximum of 75 drivers from the five Grossmont Union High School District schools to demonstrate the lessons they have learned in their driver education classes.

The test of safe and economical driving, patterned on the annual Mobilgas economy run, will be similar to those already held in communities in five western states, in which 5,000 high school students have logged an aggregate of more than 460,000 safe miles. Because experience proves that the most economical driver tends also to be the safest driver, gasoline economy is the primary yardstick used in determining winners. A penalty formula places additional emphasis on safety.

The event will be sponsored by the El Cajon Junior Chamber of Commerce, and organized by members of the high school faculties with the assistance of the Automobile Club of Southern California and the General Petroleum Corporation. Other organizational assistance will be supplied by the California Highway Patrol and local police officers.

A boy or girl, to enter the run, must be at least 16 years of age.

Fruit Cake Sale To Help Band Get Uniforms

Lemon Grove Junior High School youngsters will team up with members of the Lemon Grove Lions Club this week to sell holiday fruit cakes.

Proceeds from the sale, according to Dr. Basil Maloney of the Lions Club, will be donated to the junior high school band uniform fund.

Dr. Maloney, who is chairman of the club's special committee in charge of the sale, said that the drive will get under way next week and possibly will continue almost to Christmas.

The junior high school youngsters will conduct a door-to-door selling campaign, he said.

possess a bona fide California driver's license, and drive either his own or his parents' automobile in the event. Mobilgas safe driving trophy awards will go to the three students at each school who achieve the safest and most economical driving record for the approximately 115-mile course.

The course will be selected, logged and timed by the Automobile Club of Southern California and the California Highway Patrol but will remain secret until a few days before the run.

An adult observer will be assigned to each competing driver to grade him on his observance of all safety rules and sportsmanlike driving practices. Each car entered will be subjected to the schools to a rigid safety inspection, including a check of brakes, lights, steering mechanism, tires, and other mechanical parts. Automobiles must be strictly stock model American cars.

Planners Deny Site-Buying Plan

SAN DIEGO (CNS)—The proposal of the La Mesa Spring Valley School district to acquire three new sites for schools failed to get approval as presented at Friday's County Planning Commission meeting.

The sites to be acquired are in the Sweetwater Springs Road-Jamacha Boulevard area, for a junior high school, and a site on Jamacha, east of Grand Avenue, for another elementary school.

The commission's objection in each case was that the school district had no guarantee that subdivision development in the area would result in a street pattern that would fit in with school needs.

Approval of the three sites was voted as to general location, but the commission recommended that none of the three sites be purchased until a street pattern not in conflict with school requirements be assured.

The district does not have to follow the commission's recommendations, although the law requires that the commission's opinion has to be asked.

Supervisors Cancel Lake Helix Funds

SAN DIEGO (CNS)—A plan to spend \$2,000 to retain the water level in Helix Lake—necessary if the lake is to be developed later on—was cancelled Tuesday by the County Board of Supervisors.

The action was at the recommendation of the county Parks and Recreation Commission, which has been studying possible ways of utilizing the lake.

In a letter to Supervisors, Cleus Gardner, county parks and recreation director, said interest in developing the lake apparently is lagging.

He said two proposals have been made for development. One would be using Helix as a fish rearing pond, an idea, he said, which drew some interest from the state Department of Fish and Game.

Now the state group is unwilling to assume responsibility and expense of operating such a pond, Gardner said.

The other suggestion was to form a special district to preserve the lake as "a scenic asset," Gardner said. He wrote that this idea "seems somewhat dubious," although it has been favored by a group of local residents.

"Upon reconsideration," Gardner said, "the parks and recreation commission feels that

Stop Sign Request Denied by Board

SAN DIEGO (CNS)—A request for a boulevard stop sign at Central Avenue and School Lane, Lemon Grove, was turned down Tuesday by the County Board of Supervisors at the recommendation of the County Traffic Committee.

The sign was requested by the California Highway Patrol.

In a report to Supervisors, the committee said that obstructions and grades have been alleviated at the intersection because of recent construction activities there.

TREE RACES

Each species of tree has developed through millions of years its own special racial characteristics expressed in shape of leaves, fruit, bark and contour of the tree itself.

New Speed Limits Set on Imperial

SAN DIEGO (CNS)—Revised speed zones on Imperial Avenue between North and Cypress avenues in Lemon Grove were approved Tuesday by the County Board of Supervisors.

The changes were recommended by the San Diego County Traffic Committee, which reported it had made several investigations of the traffic situation in the area.

The changes are:
1) A 40 mph zone on Imperial between the San Diego city limits and Lincoln.
2) A 35 mph zone on Imperial between Lincoln and Broadway.
3) A 25 mph zone on Imperial between Broadway and Grove street.

money spent to extend the county's option on the lake is only postponing the inevitable."

He recommended that the board cancel the \$2,000 it set aside in the 1959-60 county budget, "since there is no assurance that La Mesa and El Cajon would assist us; nor would we get any help from the Wildlife Conservation Federation or the state fish and game agency."

Supervisors, following Gardner's recommendation, ordered the project abandoned, and cancelled the \$2,000 budget item.

SILVER ANNIVERSARY—Mr. and Mrs. Ted Magnusson, 2828 Massachusetts Ave. Lemon Grove will observe their 25th Wedding Anniversary with an open house this Sunday from 1 to 5 p.m. Among the honored guests will be the Rev. W. A. Ross, retired, of Chula Vista, who married the couple in Oceanside; and Mrs. Ross, Mr. John Eck and Mrs. Eck (he is Bishop of the Latter Day Saints Church which they now attend) and Mr. Magnusson's mother, Mrs. K. Magnusson of San Diego. Mrs. George (Wanda) Callahan of Chula Vista, Mrs. Magnusson's niece, will be guest soloist. A quartet from L.D.S. Church will render several selections. The couple has two children. Their daughter Linda is a sophomore at Helix High School. Their son, Kjartan, is a L.D.S. Missionary in Norway and will not be able to celebrate with them but has sent his best wishes.

LEAGUE TO MEET

The Hi League of the Lemon Grove Lutheran Church at Skyline and Alton Drives will meet on Sunday evening, November 22, at 7 p.m. at the church. The evening's topic will be, "Thankful—but to Whom". Ninth, tenth, and eleventh graders are invited to come.

Baptist Church Notes

The Casa de Oro Baptist Church will have meetings the balance of the week with the ever-popular Redd Harper, Hollywood's converted cowboy movie star. Rev. Ernest Anderson, pastor, invites everyone to attend. The Thursday and Friday, meetings will be held at 7 p.m. and Redd Harper will speak at the Sunday School hour and the morning and evening services.

Redd Harper is still remembered for his radio program "Redd Harper's Hollywood Roundup," which was heard around the world via the Armed Forces Radio. He had many famous guests on his show, such as Roy Rogers, Dale Evans, Pat Brady, Tennessee Ernie Ford, The Sons of the Pioneers, Jimmy Wakely, Ernest Tubbs, Eddie Arnold, Hank Thompson, Red Foley, Cowboy Copas, Miss Jaye P. Morgen, Polly Bergen and many others.

He played the leading part in Billy Graham's film "Mr. Texas" and in many westerns with such stars as Gene Autry, Rocky Lane, Monte Hall and others. He has written several hymns and a book, "I Walk The Glory Road."

Ralph W. Neighbor Sr., pastor of the Church of the Open Door at Elyria, Ohio, says that Redd Harper is one of the best evangelists he ever brought to his pulpit, and that he has won many souls for Christ.

Youth night, exclusively for the Junior and Junior High youth of the church will be held Saturday at 6:30 p.m., with Redd Harper as guest. He will speak and sing at the close of the banquet.

The Girls Missionary Guild has cancelled its Nov. 19 and 26 meeting and will resume on Dec. 3. Last week the GMG had for its guest Christine Carlson, who with her parents lived in Mexico for 10 years, working with Wyckliff Translators. She showed pictures and narrated them.

The Men's Council of the First Baptist Church of Spring Valley will hold its monthly dinner and program Friday, starting at 5:30 p.m. Rev. Roland Taylor, new pastor of the church, will be guest speaker. Main order of business will be the installation of new officers for the coming year: president, Ralph Whitmus; vice president, Carl Reid, fellowship, Ralph Torge; growth, Owen Phelps; and action, Kenneth Bowers.

"Grounds for Gratitude," a Thanksgiving message, will be Rev. Roland Taylor's Sunday morning text. In the evening he will be speaking on "A Man Who Made Shipwreck of his Life."

Mrs. Lewis Ginn, president of the Baptist Church Training Union, extends an invitation to all Christians who would like to train to attend these meetings each Sunday at 6:30 p.m. in the church. The group held a potluck social in the church Saturday evening, with a good turnout and a good time.

To Be Installed By Eastern Star

Mrs. Warren Hottenstein will be installed as Worthy Matron of San Miguel Chapter Order of Eastern Star in Friendship Hall at Lemon Grove Wednesday at 8 p.m. Other officers to be installed with her will be: Worthy Patron, Francis Rosenquist; Associate Matron, Ellen Shaw; Associate Patron, Larry Shaw; Treasurer, Henrietta Bowman; Secretary, Bernice Keeton, and Conductress, Eleanor Nienaber. Also Associate Conductress, Ruth Precourt; Marshal, Beatrice Bunch; Chaplain, Madge Lowry; Organist, Catherine Icenogle; Ada, Dorothy Williams; Ruth, Charlen Guzik; Esther, Rose Anderson; Martha, Florence Rauscher; Electa, Evelyn Norr; Warder, Jack Norr; Sentinel, Archie Hutchings; Flag Bearer, Clarence DeHoney; and Prompter, Althea Peterson.

Worthy Matron June Nilberg and Worthy Patron Joe Cavitt will preside at the installation ceremonies. The ceremonies are open to the public.

God's Minute

"THANKS"

Let us thank God peace and prosperity. He has been good to our nation. We live in a land where the individual man can pursue his ambitions so long as he does not infringe upon the rights of his fellowmen. The warp and woof of the fabric of our land will be cleansed and made strong as we give God place in our hearts, our homes, our communities and our government.

REV. H. C. BAKKEN

L.G. Lutheran Church Message

Chooses New Music Leader

After two months of study, searching and interviewing many candidates, the Trinity Presbyterian Church has appointed Robert Haffenden of 624 Upas St., San Diego, as director of music. The position formerly was occupied by Mrs. Jean Moe for five years.

Robert Haffenden has an extensive background in music, having studied in the United States and Europe. He has worked with Julius Herford in New York and studied with Robert Shaw in San Diego. He is an accomplished pianist, does composing and has varied background in choir directing. Most recently he was director of music at Normal Heights Methodist Church. Currently he is studying at San Diego State College as well as giving lessons in voice and piano.

Haffenden will begin his work immediately at Trinity, assuming responsibility not only for the Chancel Choir, but the supervision of the youth and children's choirs, as well as the entire music program.
